CIVIL ACTION NO.4:05-CV-594-Y

ORDER ADOPTING  
MAGISTRATE JUDGE'S FINDINGS AND CONCLUSIONS

In this action brought by petitioner George Webber under 28 U.S.C. § 2241, the Court has made an independent review of the following matters in the above-styled and numbered cause:

1. The pleadings and record;
2. The proposed findings, conclusions, and recommendation of the United States magistrate judge filed on September 22, 2005; and
3. The petitioner's written objections to the proposed findings, conclusions, and recommendation of the United States magistrate judge filed on October 25, 2005.<sup>1</sup>

The Court, after de novo review, concludes that Webber's objections must be overruled, and that the petition for writ of habeas corpus under 28 U.S.C. § 2241 should be dismissed for lack of jurisdiction, for the reasons stated in the magistrate judge's findings and conclusions.

Therefore, the findings, conclusions, and recommendation of the magistrate judge are ADOPTED.

George Webber's petition for writ of habeas corpus under 28 U.S.C. § 2241 be, and is hereby, DISMISSED for lack of jurisdiction.

SIGNED October 28, 2005.

TERRY R. MEANS  
UNITED STATES DISTRICT JUDGE
